

Pocket Dragons™

"FUN for all and all for FUN!"

Small enough to fit in a Wizard's pocket – but capable of super-sized shenanigans – the playful Pocket Dragons are charmingly silly, kid-relatable, little creatures who constantly turn life's simplest molehills into mountains of ill-advised, though well-intentioned (and wildly comedic) chaos. Whether it's a bubble bath, a bedtime story or a bake sale, the Pocket Dragons will have a plan to improve it – and you can be certain it will be a very-good-totally-foolproof-can't-possibly-go-wrong plan. (You can be just as certain that every Pocket Dragon plan soon goes spectacularly-horribly-terribly-but-hilariously wrong.)
